

# 25 YEARS OF IMPACT

“The impact of EEF’s grant to the district is incredible. Because of their efforts and the community’s generosity, we are able to fund quality teachers, continue valuable programs for students and keep class sizes lower.”

– DR. TOM LEONARD, EISD SUPERINTENDENT

EEF Grant Check

The EANES EDUCATION FOUNDATION is the only organization that can fund additional teacher and staff positions for our district.

**EEF GRANTED \$2.5 MILLION**

This will FUND a record-breaking 50 TEACHERS for the 2017-2018 school year. An additional \$22,500 was granted for tuition assistance to teachers who are earning their master's degrees.

## EEF CELEBRATES 25 YEARS!

Thanks to the foresight of caring parents 25 years ago, EEF was started in response to the new changes they saw coming out of the state legislature. Our anniversary has highlighted the impact EEF has had on our district, our teachers and our students.

We celebrated 25 years of impact with the gift of 50 TEACHERS to the district in honor of all those that have worked tirelessly on EEF's behalf over the last 25 years!

# TEACHERS MAKE IT HAPPEN!

Approximately 63% of Eanes property tax dollars never make it to our classrooms. With 85% of the district's budget dedicated to personnel, teachers and staff are the difference between the adequate education funded by the state and the excellent education we expect for our children.

**ADEQUATE** AD • E • QUATE / adikwit:  
satisfactory or acceptable in quality  
Synonym: the education required by the state

**VS**

**EXCELLENT** EX • CEL • LENT / ekselent:  
extremely good; outstanding  
Synonym: an Eanes ISD education

## MOST OF THE EEF FUNDED POSITIONS ARE NOT REQUIRED BY THE STATE

They are considered "luxuries." For the 2016-2017 school year, EEF dollars funded positions such as 5th grade teachers, counselors, nurses, special ed, & reading and math specialists at the elementary schools. At the middle and high school levels, the funds helped lower class size levels by funding robotics, gifted and talented and AP teachers, and many more.

“ I am so fortunate to be in a school district with the support of such an amazing organization such as EEF. The foundation has made possible so many opportunities for each of the schools within the district. My position at WHS has been one of the *positions that has benefited* from the support of EEF. ”

NORMAN MORGAN,  
WESTLAKE ROBOTICS TEACHER

“We transferred from a local private school to Valley View Elementary four years ago after learning firsthand that private schools do not have to accommodate unique learning needs of students. The Valley View community welcomed our family and the teachers and support staff developed a customized learning plan that has made a meaningful difference in my child’s education.”
